FINAL ORDER OF DISMISSAL
April 8, 2015

Enrique Silva was a named plaintiff in *Stote v. UMass Correctional Health Care*, C.A. No. 13-10267-NMG, a civil rights action filed by MCI Norfolk inmate John E. Stote in which he and over one hundred other prisoners claimed that medical care at MCI Norfolk was inadequate.

In an order dated June 25, 2014, the Court ordered that the claims of each plaintiff be severed and that a separate case be opened up for each individual plaintiff. *See id.* (D. 20). The order directed each plaintiff who wanted to prosecute his own claims to pay the \$400 filing fee or file an Application to Proceed in District Court Without Prepaying Fees or Costs within sixty days and that the failure to pay the fee or seek leave to proceed without payment of the fee may result in dismissal of the individual action without prejudice. The Clerk mailed a copy of Judge Gorton's order and the form Application to Silva in June 2014.

The sixty-day period has expired without any response from Silva. The documents the Clerk sent to him were returned as

undeliverable. The Clerk phoned MCI Norfolk to inquire about the plaintiff's location and was informed that he is no longer in state custody.

Accordingly, this action is DISMISSED WITHOUT PREJUDICE. No filing fee shall be assessed. This order is a final dismissal order.

SO ORDERED.
